Gloria O'BannonREPLY AND AMENDMENT

MAIL STOP REISSUE
Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

This communication is in response to the Office Action dated October 2, 2007. The following response is being drafted to place the claims and specification in proper condition for substantive examination. This response will therefore assume the following: 1) that the amendments to claims 1, 24 and 32 and the amendments to the specification were not entered and 2) that the other amendments made were entered. Therefore, Applicant respectfully requests the entry of the present amendments to claims 1, 24 and 32 and the amendments to the specification and that the application proceed to substantive examination. Applicant amends the present application as follows:
